

**PELTOR™**

# Product Information

**3M™ PELTOR™ Radio DAB+ FM Headset**

3M Science. Applied to life.™

# Applications

Manufacturing

Fishery

Agriculture

Landscaping

- Radio DAB+ FM Headset helps protect against potentially harmful workplace noise and at the same time enjoy listening to the built in DAB+ or FM radio.
- For use in noisy industrial sites as well as farming or landscaping activities.
- The voice guided menu system, fast digital tuning and ability to store stations makes the hearing protector flexible and easy to work with.

# Features

**Attenuation:** The product will attenuate SNR 31 (helmet attachment: SNR 30)

**Attachments:** The headset is available in headband and helmet attachment. Black colour.

**Large user-friendly buttons:** To adjust volume, turn the headset on/off and navigate in the menu. Knobs that enables both pressing and turning.

**3.5 mm jack:** A listen-only stereo input to connect to a cell-phone, two-way radio or other external devices (limited to 82 dB).

**Voice guided menu system:**

- Radio mode (FM/DAB+)
- Search station
- Favorites
- Etc.

**2xAA batteries:** The headset will turn off after 4 hrs of non-use to save batteries. A message will be heard when the battery is low. Option is to use the rechargeable ACK03 battery provided as an accessory.

**Replaceable cushions and foam liners (hygiene kit):** When used regularly, 3M recommends replacing the cushions at least twice a year to maintain consistent attenuation, hygiene, and comfort.
